Summary :

1- Any new EWA bill received for the first time through email, distribution set to be created in the Oracle system & link with EWA account number.
2- Electricity, Water and municipality rates have separate GL codes for each one and mentioned also in the distribution set.
3- The bill details will be split into the correct Gl codes which reflect the bills details, for example Building name and flat no.
4- Some bills, having special criteria in the distribution, where the amount divide equally between 2 departments, or taken directly to 1 account (all these details already reflected in the distribution set)
5- Bills are issued from Electricity & water Authority & received in one email i.e. Propery@almoayyed.com
6- The Bancapp system needs to book the bills based on the highlighted details (EWA bill attached with highlighted in pink).
7- Amount should be as per the bill.
8- VAT expense code to be select as BH_P_OOS
9- Report to be sent after running this process with the details of unbooked bills with the reason.
10- Report to be taken from oracle to check if any bills missed to post. Already this report is available in Oracle called YKA - EWA Bill Missing Report''
